

Index to *The American Cartographer* Volumes 9 and 10 1982-1983

This index includes all principal articles and all news items published in Volume 9 (1982) and Volume 10 (1983) of *The American Cartographer*. An index is published at two-year intervals. Principal articles are indexed by title and author, other items by title only. Articles are referenced only by the first author's name. For the convenience of persons referring to unbound numbers of this journal, the issue number has been included after the volume number, followed by page numbers. The following summarizes page contents:

- Volume 9: April 1982, No. 1, (pages 1-104)
October 1982, No. 2, (pages 105-200)
Volume 10: April 1983, No. 1, (pages 1-96)
October 1983, No. 2, (pages 97-192)

ARTICLES
